

# Special Needs Trust Workshop

## Preparing for the Future

“A Special Needs Trust is a special type of trust that can hold assets for and distribute payments for your child with a disability, while at the same time preventing him or her from being disqualified from receiving Supplemental Security Income (SSI) or Medi-Cal.”

Find out more information, including how moving from one state to another will affect your trust.

**Presented by Elizabeth McCoy, Attorney at Law**

**Date** Thursday September 9th, 2010

**Location** Abby Reinke Community Center  
Camp Pendleton, California

**Time** 6:00 – 8:00 pm
