

Theater of WAR

EVER WONDER WHAT GOES THROUGH A MARINE'S/SAILOR'S MIND AFTER HE/SHE RETURNS FROM WAR? HAVE YOU EVER FELT THE EXPERIENCES OF WAR ARE UNIQUE TO YOU AND YOUR FAMILY?

If so, join us in Theater of War, a project funded by the Department of Defense that presents readings from Greek plays that depict the psychological and physical wounds inflicted upon warriors by war. There will be a panel discussion after the presentation to discuss the challenges faced by service members, veterans, their caregivers and families.
